

Pls check with the visa guys on this. The visa contact in Plano office mentioned that if we put the duration as 6 weeks, the chances of rejection are higher. The business visa is a multiple entry visa with multi-year validity. What is restricted is the length of stay per visit.

Normally, the period of stay is determined at the port of entry, and is dependent on the return ticket. Anjali, can you please confirm with the visa department?

Hello Kiran,

The invite is only for 2 weeks, Vishal is planned to stay for 6 weeks as per the project plan, please advice if we can still use this ?

Thanks.

Best regards,
Anjali
